Moro
Asymmetric
Sofa
System
Adorably
Stitched

Blunt blocks rounded
and smoothed by
an imaginary blade.
Geometric order is broken,
swept away for a movement,
a rim that runs around
the perimeter.
Sofa, armchair, chair:
a modular system, where
each component keeps its
own independent character,
both in its function
and sculptural look.

Moroso Asymmetric Sofa System Adorably Stitched

Blocchi smussati dal taglio di una lama immaginaria. L'ordine geometrico è rotto, travolto a favore di un movimento, di un margine che attraversa i perimetri. Divani, poltrone, e un sistema di elementi componibili che mantengono il carattere per funzione e presenza scultorea.

Abgerundete Blöcke durch den Schnitt einer imaginären Klinge. Die geometrische Ordnung ist gebrochen, sie wurde zu Gunsten einer Bewegung, eines quer durch den Umfang gehenden Randes entrissen. Sofa, Sessel, kleiner Sessel: ein Einbausystem, wo jedes Element wegen der Funktion und dem statuarischen Aussehen seinen unabhängigen Charakter behält.

Patricia Urquiola

Photo Roger Decker

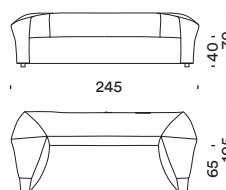

Blocs adoucis par la coupe d'une lame imaginaire. L'ordre géométrique est cassé, entraîné par un mouvement, par une marge qui traverse les périmètres. Canapé, fauteuil, petit fauteuil: un système complémentaire où chaque élément maintient son caractère indépendant, soit pour fonction que présence sculpturale.

一把想象中的刻刀，将一整块的沙发雕刻的更加圆润顺滑。正常的几何造型被打破，几何规则被清扫一空，但是却有一条迷人的滚边在蔓延。
沙发，扶手椅，单椅等等，这是一个模块化的系统。无论是功能性和雕塑般的外观，每一个模块都保留着自己极其独立的特点。
